

The drive in schools to ensure that all students reach their potential is fuelled by a wealth of data for tracking progress and revealing which groups and individuals are underachieving. The challenge for teachers is to find strategies that 'close the gap', allowing every pupil the best possible chance of success. With characteristic energy, Caroline Bentley-Davies shows how to strengthen learning and engagement to boost progress and attainment.

Caroline Bentley-Davies has been a middle leader in three schools, a Local Authority Education Adviser and a school inspector. She now runs training sessions for teachers. Over an eight-year period she has taught demonstration lessons in more than 100 schools.

Caroline is also author of the **Outstanding Lessons** and **Literacy Across the Curriculum** Pocketbooks.
